RECOMMENDATION

Receive and file the status update report on Licensing Unit activity.

ISSUE

This status report highlights key statistics of PMBC's Licensing Unit and other licensing activity of note since last reported at the September 18, 2020 meeting of the Board.

DISCUSSION

The following data below lists current and up to date information for all licensing statistics, including new licenses and renewals.

1. Licensing Statistics

The following Licensing Report reflects a current capture of licensing statistics including new licenses and renewals during FY 20/21 Quarter 1 running from July 1, 2020, through September 30, 2020.

Licensing Statistics – New Licenses Issued, Year Over Year Comparison

This report provides a comparison of PMBC licenses that have been issued during the three previous fiscal years for: 17/18, 18/19, 19/20 and those issued to date for FY 20/21. In FY 17/18, 100 permanent licenses were issued; FY 18/19, 104 permanent licenses; FY 19/20, 112 permanent licenses; FY 20/21, 25 permanent licenses to date. For a grand total of 341 newly licensed DPMs in the last four fiscal years. A comparison of gender, age and incoming to outgoing DPMs is provided for review. The categories for the outgoing licensee population include: retired, inactive, disabled and *canceled licenses.

**License cancels after 3 years of non-renewal.*

A breakdown of licensing data includes the number of initial applications received that are currently pending. Of the 19 pending applications, one candidate recently completed their package.

So far for fiscal year 20/21, PMBC had seven of its applicants come from out of state, 12 were third year residents from California and six were third year residents from an out of state program. (Attachment A)

Licensing Statistics - Renewal Data and Renewal Data Breakdown

This report provides an overview of license renewal data for FY 20/21 for which full reporting data is available and running from July– September 2020. In the month of July, 104 license renewals were mailed with 94 licenses renewed by the end of the month. During the month of August, 97 renewals were mailed with a total of 84 licenses renewed, and September had 90 license renewals mailed with 77 licenses renewed by the end of the month. For licentiates that did not comply with renewal requirements, Delinquent Renewal Notices were mailed to all pending renewals 30 days after license expiration.

License renewal data is broken down to include those that have filed for a Retired, Military, Disabled or Inactive modifier. Also included is the number of licensees in Delinquent status in addition to those whose status has changed from Active to Cancelled, Revoked, Surrendered or Reinstated. (Attachment B)

Licensing Statistics – Residents

The resident academic year started on July 1, 2020 and will end on June 30, 2021. PMBC currently has 42 first year residents; 43 second year residents; and 42 third year residents bringing the resident license total count to 127. Resident data includes the number of third year residents that currently hold or are applying for a permanent license. (Attachment C)

2. PMBC Calendar (December 2020 – February 2021)

Provided for committee planning purposes and review is a 3-month timeline to enhance committee awareness for pertinent dates and approaching deadlines. (Attachment D)

NEXT STEPS

Staff will continue to maintain the Licensing Program by remaining current with processing applications, performing operations without backlog, and responding to specific inquiries from consumers, licensees and stakeholders on a daily basis.
